Honorable Charles L. Schultze
 Director, Bureau of the Budget
 Washington, D. C. 20503

Dear Mr. Director:

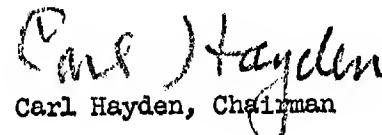

As requested in your letter of February 3, 1967, the supplemental appropriation for the Central Intelligence Agency for fiscal year 1967 is [redacted]. The amount is contained [redacted]

This appropriation is available to the Central Intelligence Agency under the same terms and conditions as the 1967 appropriation which it supplements.

The Subcommittees are very much concerned that funds to the extent of nearly [redacted] for participation in the South Vietnamese Revolutionary Development program continue to be included in the Agency's regular budget. Inasmuch as the Agency's participation in the program is rather generally known, it is becoming difficult to handle these funds as a highly classified budget item. It is requested that you give consideration to an alternative method of funding this program for fiscal year 1968 and advise the Subcommittees promptly thereon.
